SPECIAL GRADUATION EDITION - July 2008

INTRODUCING LFGSM 2008 HOTCHKISS SCHOLARS

Graduation Day 2008 could not have been more beautiful. The sun was shining and the weather was gorgeous. It was the perfect day to honor the newest alumni of LFGSM, especially the newest members to join the Hotchkiss Scholars. Eleven special graduates stand out above the rest, having earned placement in the top 5% of the Class of 2008.

"Hotchkiss Happenings" is proud to introduce to you the 2008 Hotchkiss Scholars (in order, L to R, front row beginning after Vice President and Dean Arlene Mayzel, back row beginning after LFGSM Board Chair B. Montgomery Edson):

Front Row

Congratulations to all...particularly our class valedictorians: William Faber, Nimesh Jhaveri, Prabashinee Moodley and Stefan Mueller.

The Hotchkiss Scholar Program began in 1984 with 6 graduates honored in the inaugural year. Since then, the best and brightest of each graduating class have had the honor of joining this prestigious group each year. Including our newest eleven, there are 241 LFGSM graduates with the honor of being a Hotchkiss Scholar.

PLAN TO ATTEND the Hotchkiss Scholar Recognition Dinner. Watch for your invitation in the mail in August and details in the August issue of Stay Connected.
