SPECIAL GRADUATION EDITION – August 2009

## INTRODUCING LFGSM 2009 HOTCHKISS SCHOLARS

Graduation Day 2009 was electrifying. The weather was beautiful and friends and family anxiously awaited the long line of graduates to enter the ballroom for the graduation ceremony. It was the perfect day to honor the newest LFGSM alumni, especially the newest Hotchkiss Scholars. As in 2008, there were again eleven graduates who earned placement in the top 5% of their Class in 2009.

“Hotchkiss Happenings” is proud to

Including our newest eleven, there are 252 LFGSM graduates with the distinction of being a Hotchkiss Scholar.
